prep/flag marking We will be meeting at the cemetery behind the church at noon. We will be accomplishing 2 goals:

1- cleaning leaves from the front of the church to make it look pretty for the ceremony the following week,

2- we will be given maps of the cemeteries along with rosters of who is a veteran. We will use landscaping flags to mark the graves to assist the wreath placement the next week. We need as many volunteers as possible to make this go as quickly as possible. Uniform is class B. Bring water, snacks (if desired) and clothes for the weather.

12/9- Wreaths Across America ceremony-

We will be meeting at the front of the church, class A uniform required. Over dress for the weather, layers can always be removed and the speakers can run long sometimes. In addition to all of the walking to place the flags, we will be walking to the other cemetery as a group. It is about a mile round trip- wear good shoes for walking. This is a rain(snow!)-or-shine event.

After our Pack meeting on the 18th, Den meetings don't resume again until January 8th. Enjoy your holiday break!

*Remember!
Den meetings will no longer start in the social hall. Your den leader will let you know where you are meeting!*

Scouting Fun

Fact:

In 1914, Baden-Powell announced a junior section of the Boy Scouts for youths aged 8 to 10. He asked his friend, author Rudyard Kipling, if they might adopt part of the framework of the 1894 classic 'The Jungle Book'. The Cub Scouts meet in "dens" or "packs"; the den leader is sometimes called "Akela," after the head wolf from the novel.
